SPECTRE E&E BAG

MODEL DESCRIPTIONS

Spectre Escape and Evasion bag is great for carrying materials you need the most. Totally made of Cordura 1000D with YKK zips. Equipped with numerous internal pockets with stretch and MOLLE interfaces to optimize materials handling. Thanks to the number and type of interfaces available, the bag can also be configured as first aid and survival material carrying system. Compatible with all MOLLE pockets and Internal Stretch Pouch. Externally there are 2 pockets with zip closure which can contain, among other things, 2 standard US bottles. On one of the other sides there is a practical pocket with a stretch closure perfect for papers or documents while on the opposite side there is a flap to access a MOLLE platform perfect for mounting, according to the configuration, other MOLLE pockets. The bag is equipped with a practical carrying handle and a padded shoulder strap. The whole main structure is padded to protect the contents and keep the shape.
