STEALTH JACKET ADP H

MODEL DESCRIPTIONS

This hard shell jacket is the most heavier and warmer version of Stealth ADP jacket. Water-repellent treatment. This jacket is made by different stretch fabrics from Schoeller. The short cut and the high ergonomic design ensures compatibility with the first lines of combat. Inside the collar is located an emergency no wind hood. There are two pockets on the front, two inside pockets for documents and 4 pockets on the sleeves as combat standards. The thin and elastic cuffs are compatible with all underlying layers of dressing ensuring mobility and minimum bulk. A drawstring waist helps you find the right retention elastic waist. Stitching are guarantee trough a high tenacity nylon thread.
