## SPECTRE DIRECT ACTION BATTLE BELTMK2

### MODEL DESCRIPTIONS

Multipurpose combat belt composed by a MOLLE outer belt, an inner 5cm belt and a 4cm stretch pants belt to keep everything on place. This high ergonomic outer belt starts with 2 MOLLE on the side and 3 MOLLE on the back. The super flat design of this outer MOLLE belt is extremely comfortable and resistant. The rigid support inside allows you to load the belt as much as possible without losing the stability of the structure. Airtex inside for a great transpiration. Built entirely in Cordura 1000D in various patterns. Compatible with MOLLE holsters / pockets. This belt is designed to carry the SOFT IIIA ballistic protection (LEO / Military only) for heavy ballistic protection set up. Thanks to the side lower opening is possible to use holsters or thigh rigs direct on the inner 5cm belts keeping the side MOLLE system free for pouches. Maximum versatility. Available in sizes S - M - L - XL
