## T-SHIRT LIGHT MM FR

### MODEL DESCRIPTIONS

1st layer light weight. This Flame Retard base layer your skin dry and guarantees comfort during the summer or in winter if used in conjunction with the other layers. This particular ergonomic design, emphasizes the transpiration and the protection in the most sensible areas. Antibacterial treatment guarantees protection from molds and bad smells caused by the intense aerobic activity. This product is part of the Flame Retard Base Layer System. This product will not melt or drip on your skin because of the special fiber and it won't lose any FR features with washing because it's not a treatment.
