MODEL DESCRIPTIONS

EBERLESTOCK BANDO BAG L2.
Like an ammunition Bandolier, the Bando Bag is a lightweight and convenient way to transport your EDC items. A full-zip back pocket on the Bando measures 5.25"H x 9.25"W x 3"D, large enough to secure most sub-compact and compact sidearms like the Glock-19 and those similar in size. The main compartment features an interior mesh zippered pocket, and two slip pockets for additional organization. A small zippered front pocket is perfect for keys, cords, or other small items. The waist belt length is adjustable from 31.5" - 44".
The full-zip back pocket on the Bando XL measures 6"H x 10.75"W x 3"D, large enough to secure most full frame sidearms and smaller.
Both the Bando and Bando XL include an integrated sleeve to conveniently carry a tourniquet below the top flap of the main compartment.
