MODEL DESCRIPTIONS

EBERLESTOCK COMBAT OFFICE BRIEF B1.

The B1 Combat Office is the ultimate brief case for the road warrior. A tandem zipper easily opens the barn-door top, revealing a generously sized main compartment. An adjacent laptop compartment comprises the bulk of the remaining interior volume. On the back-side of the bag, an open-topped document pocket has a zipper at its bottom, which allows you to slip the B1 securely onto the handle of your rolling suitcase. The laptop pocket has full-zip-down pockets, allowing the bag to be split open for TSA x-rays without completely removing your laptop from the bag. The bag is scaled to be not-too-big, but not-too-small, making it a perfect every-day carry about for your laptop and all of your gear. Topping it off, the B1 is probably the best conceal-carry bag ever invented, with a discreet magnet-closure pocket for your handgun.
