## SECOND LAYER MID FR

### MODEL DESCRIPTIONS

3rd layer mid-weight. Sweater with zip closure on the neck. You can overlap this item to the other base layer for a better thermal insulation. It keeps your skin dry and ensures comfort. Its ergonomic and seamless design guarantees a great fit emphasizing the transpiration and the protection in the most sensible areas. The antibacterial treatment protects you from mold and bad smells caused by intense aerobic activity. Thanks to the flame retard yarns, this item won't lose its technical features by washing.
