SPECTRE SNIPER SYSTEM SALOPETTE

MODEL DESCRIPTIONS

This is the salopette of the Spectre Sniper System.
The salopette can be wear in conjuction with the Sniper System Parka or with one of the 2 Tactical Cover to get a lighter set up.
The front side is totally covered with Cordura 1000 to give the best protection when moving on the ground. A high comfort and protection is provided by a special padding, thin and soft, that can be removed from the front side of the salopette.
The salopette has a special gaitor. A couple of pockets on the back will provide enough room and quick access with one hand.
Fully covered with a paracord grid. An elastic harness will help with the comfort while moving. The back of the pants has a special loop to lock the drag bag.
